

The IFP Pledges:

A Pledge of Honour

- To remain faithful to this pledge
- To implement the promises we make in our manifestos
- To be free of corruption and to prevent corruption
- To ensure open, inclusive and participatory governance
- To serve the community to the best of our ability utilising all the resources at our disposal
- To behave – both professionally and personally – in a manner that is always above reproach

A Pledge of Service

- To work diligently within our communities and in the Council
- To serve the needs of the community
- Not to cross the floor to any other political party during the floor crossing period
- To maintain an open-door policy towards all members of the community
- To actively participate in Council meetings and in community meetings
- To be the voice of the community in all Council meetings
- To regularly report back to the community on development in Council and on issues affecting the lives of members of the community

A Pledge of Delivery

- To prioritise development in the ward being represented and in the community generally
- To bring relief to the most vulnerable sectors of our society, including the aged, the young and those worst affected by the HIV-AIDS pandemic
- To promote poverty relief
- To ensure the delivery of basic services such as water, electricity, roads, sanitation, etc.
- To promote job creation
- To facilitate access by the community to government services and grants
- To facilitate and enable the acquisition of all grants, including, child, disability, old age pensions, etc.

Ensure effective and efficient service provision.

SERVICE DELIVERY

Record

- Champions of development
- Caring for the needs of both urban and rural areas
- When in power at UGU District Council, we provided water, electricity, road infrastructure and many other services.

Promise

- To provide affordable rates
- To continue to care and represent the interests of pensioners
- To strive for the maintenance of roads which are currently appalling
- To initiate and roll out an HIV-AIDS policy to curb the spread of the pandemic and to help the affected and infected
- We will facilitate for the distribution of Nevaropine to all HIV positive pregnant women
- We will build more clinics
- We will upgrade and maintain rural roads
- Allocate and spend more resources on infrastructural development
- We will initiate and implement policies which will alleviate the problems faced by the indigents
- We will introduce agricultural development and programmes to fight poverty
- We will strive for the development and empowerment of the youth and women
- We will focus on providing specific needs of the aged

GOVERNANCE/LEADERSHIP

Record

- Always a home for the rural poor
- Opposed the floor-crossing legislation which promoted the betrayal of the electorate

Promise

Based on our commitment to the development of our people, we ensure:

- Continued effective, efficient and clean administration as is shown by having an unqualified audit report this past four years
- The reversing of the domination of Tourism by politicians and let the professionals run it
- Increase the levels of Protection Services personnel to make the area safer
- Improve the management and administrative capacity and capability of the municipality to deal with the current administrative instability
- Introduce true transparency
- Strong community participation and involvement
- To make the IDP a blueprint for the future.
