STATES UNDER OATH IN ENGLISH:-

I am adult male serving as a councillor in the Muvoto Municipality. I am the speaker of the Council. On 1.02.2011, a selection committee meeting consisting of members from the various political parties, viz. the Inkatha Freedom Party, Democratic Alliance and African National Congress met in the Council chamber to short-list applicants for the Municipal Manager post.

During the discussion I overheard Councillor Mavundla stating that he had paid for the accommodation of National Freedom Party members at the Borekafelds Lodge, in Dundee. He also offered or Honorable Mayor financial assistance and an ambassadorial position either in China or India, should he defect with the other councillors of the New National African Party.

Our Honorable Mayor responded by stating that the AN is a dictating party in that other parties have erected, viz. the PAC, COSA and the UDM.

That is all I have to say.
